

Permission Form Delta Secondary School

Dear Parent/Guardians,

All grade 10 students in the Delta School District have been invited to attend a unique and exciting event during the school day that will give them hands-on experience with dozens of potential career paths. The 6th Annual Delta Trades and Technical Career Fair is taking place on May 3rd at the Sungod Recreation Centre in North Delta. Your child will be attending the event with other grade 10s from their school from 8:40 AM – 11:45AM. Bus transportation to and from the event has been arranged and supervision of your child will be provided by school, school district and City of Delta staff.

The Delta Trades and Technical Career Fair is organized by the City of Delta in partnership with the Delta School District, Vancouver Community College, BCIT, Kwantlen Polytechnic University, and local employers & associations. The event includes show stage presentations, and hands on interactive activities, with Post-Secondary, Industry, and business organizations. Delta School District will also have a career booth at the event. The goal of the event is to educate youth and our community about the many meaningful, well-paying and fulfilling careers available in the trades and technical areas. The fair is free and open for the entire community until 4 p.m. We encourage all parents and students to attend!

If you have any questions regarding your child's participation in the Delta Trades and Technical Career Fair please do not hesitate to contact the school. We invite you to have a look at the website for more information: www.delta.ca/careerfair.

I highly recommend this opportunity for our Grade 10 students. Those attending in the past have found it an informative and enjoyable experience.

Please complete the permission and media release form (on the back of this letter) and ask your child to return it to their English teacher before April 26, 2018.

Sincerely,

Dean Eichorn
Vice Principal
