Name _____

Mob Mentality

Objective: to understand the effect a large crowd can have on behavior

During the course of history, there have been many events that have occurred because crowds have incited riots. For example, there were the riots in Los Angeles in 1992 and the student riots in Tiannamen Square in 1989's China.

In chapter 2 of *There Will Be Wolves* Bruno states, "Violence breeds violence, and it is hard to contain when lit."

List three events from the novel where mob mentality takes over common sense. Then, summarize the result of each of these events.
