

By the end of the unit all the students will be able to:

- Compare the physical area of Canada of 1815 with Canada of today.
- Give evidence to show the economic, political & social conditions of the English Canadians, French Canadians, Aboriginal people & immigrants of the 1815-1840 time period.
- Show the connection between 'conditions' or 'events' in the United States and Britain and immigration to Canada.
- Explain the connection between events (or conditions) in the U.S. & Britain with the discontent and rebellion in Canada.
- Describe the conditions faced by new immigrants traveling to and in their new country.
- Discuss the causes, components & consequences of the Cholera Epidemic and the 1837 Rebellions.
- State the implications of Lord Durham's report.
- Explain the difference between colonial and responsible government.
